in a Traditional Argentine Setting*

*Sierra Brava Lodge*

CORDOBA - ARGENTINA

# The Lodge

*"We have hunted in Argentina for the past three years. Each experience was memorable; however, our stay at Sierra Brava offered so much more than an incredible hunt. The facility and friendly staff catered to our every need and they hosted each meal as though it were a banquet and we were the guests of honor. Thank you. We can't wait to return!"*

*"8 air-conditioned double bedrooms each with en suite bathrooms"  
"Pool, sauna and massage service available"*

*To the good people at Sierra Brava Lodge;  
Over the last 12 years we have been the guest of many outfitters and experienced argentine dove and duck hunting in 100° weather to rain and mud. We have found that most attempt to please and we have driven 1 1/2 hour to the fields.*

*Overall your lodge and people have met or exceeded our previous experiences, the birds have never been better; the staff has made this a most enjoyable hunt. This is high praise for experienced Texas hunters and we will tell others.*

*Thank you and we will be back, God willing. Best regard and good hunting.*

# The Shooting

To Juan, Alex, Topo and all the staff:

This trip was the most enjoyable hunting trip that I have taken, and I have done quite a few over the years. The shooting was fabulous, I shot over 1500 doves in one day, unbelievable. The food: the best food of all my 95 hunts. Alex thank you for orchestrating the hunting: your moves were wise and productive every time. The bird boys, attentive, hard work and friendly. The house staff kept us comfortable. I will be back.

have been hunting for 30 years  
and nothing has come close!
